Oregon Press Update

As of January 28th , 2008

NEWS -----

Serj Tankian (the voice of System of A Down) makes his solo (with band) debut this March at the Roseland Theater. Steeped in the hard rock and politically active lyrics that SOAD is known for this, this show promises to be a heart pounding rock experience. Tickets on sale this Saturday at 10am via TicketsWest.

Cartoon Network Adult Swim programming stars **Tim & Eric** bring their **Awesome Show, Great Job** on the road this May. A sit down all ages date at the Baghdad Theater is where these two comedians will lay down their edgy hilarity. Tickets on sale this Saturday at 10am via Ticketmaster.

Bell X1 may be hardly known outside their native Irish setting, but that's all about to change in 2008. Featuring the trademark **Coldplay, Snow Patrol, U2** sounds Bell X1 is poised to break through in America. The band has been around for a long time going all the way back to when they were called **Juniper**, which was the members of Bell X1 plus **Damien Rice**. Tickets on sale this Saturday at 10am via TicketsWest.

Great Northern has been added as the opener for **The Gutter Twins**.

New albums are in stores now by **North Mississippi Allstars, Drive-By Truckers, and Super Furry Animals**. Next week **British Sea Power's** and **Hot Chip's** third albums arrive.
